

INTRODUCTION TO COMPUTING - FINAL REQUIREMENTS

Title of Website: Hachie's Cafe

Url of Website: <https://norjhachie.000webhostapp.com/>

Url of the Github Repo: <https://github.com/norjhachie/IntroToComputing-Website-Project.git>

Brief Description: I create a coffee website. Here are some key elements you'll find on my coffee website:

- Homepage: Featuring mouthwatering visuals of our coffee.
- About Us: Share your story, your passion for coffee or tea, and what makes your cafe unique.
- Menu: A clear and concise listing of your coffee drinks we offer. High-quality photos are essential.
- Reviews: Some reviews a customer said about coffee services and business.
- Contact: Provide multiple ways for customers to reach them, including phone number, email address, and our social media platforms.
